

The Icelandic Canadian Club of British Columbia 2017 Membership Application Form

At an ICCBC Annual General Meeting, the ICCBC Board was asked to find a way for members to make membership payments by direct deposit. The Board has done as requested. It is now possible to make a direct deposit membership payment annually without writing a cheque each year. Monthly payments are also possible.

The Board is also developing a website based on the one used for the Convention last April. By the New Year, we hope to have the club's website functioning so that membership payments can be made on line. In the meantime, 2017 annual memberships are coming due. Some of you may choose to pay for your memberships at the Bake Sale or Children's Christmas Party. Both events are on December 4th. Some may choose to use a mailed in cheque as in the past. Some may choose to use direct deposit. We look forward to hearing from you.
