

A Dinner & Speaker Series SPECIAL EVENT Evening

**Wine Tasting
and State of BC Wine Industry**
presented by: **Brian Berry, President of Revelry Import Co.**
Wednesday, November 9, 2016 – 6 pm to 9 pm

This popular event promises to be an educational evening of wines and fellowship. We will begin at 6:30pm with a sparkling wine reception in the lounge, then moving to the main hall. The presentation will begin and we will enjoy tasting a cider, followed by a white wine, and two red wines. Each table of 6 will feature a charcuterie plate and bread to accompany the tastings.

Brian Berry will present each of the tastings, imparting his knowledge and expertise to highlight their distinctions and features increasing our enjoyment. Brian's presentation will also provide us with a state of the BC wine industry, delving into what's new, what's interesting and what's in vogue.

Brian brings more than 20 years of extensive experience in the food and beverage industry. Brian has worked as a retail level buyer with both Vancouver based Liberty Wine Merchants and at a private club/restaurant, as well as F&B Director for the prestigious Vancouver Club. His experience also includes running the import arm of Liberty Wine Merchants and key national agency Authentic Wine & Spirits, as Masi's brand ambassador for British Columbia, and as the Director of Sales and Marketing in British Columbia for Lifford Wine & Spirits.
