

### Successful concert with Kongero

On Sunday, October 15th, we enjoyed an afternoon concert with Kongero at the Center. Many members, and even some new faces, came out to listen to these amazing women. About 85 of us enjoyed the Swedish harmonic tones. Hopefully, those who missed Kongero this time will get the chance at Midsummer in 2019 as they are well worth listening to. Thank you everyone who attended and made the Sunday concert a success!
