Fall 2018

President's Report

September 2018

Another summer has come and gone, the kids are all back in school and it is again time to get back to business. The monthly board meetings are now in full swing for both Danish House and the Scandinavian Centre board as well.

This edition of your newsletter would normally have been issued a week or two earlier, but some details regarding an upcoming event needed to be finalized. As well, the scholarship awards were presented at the September 7th Kro Aften and we wanted to include short bios of the award winners in the newsletter. So please take the time to read the article on pages 4-6. I think you will agree that this is a particularly excellent group of winners. The scholarship committee once again did an outstanding job.

Next up on the agenda is the Annual Fundraising Dinner & Auction, which is now more dinner than auction as the need to raise funds is less of a concern than it was in the past. So going forward, it will be known as the Traditional Fall Dinner. In order to avoid losing any money on this event and in an effort to keep the ticket price as low as possible there will be a mini auction of some items that have proven value, and judging by past auctions have also been popular. I am sure you can probably guess what these items are.

I would be negligent in my duty if I did not mention the great job our volunteers did at the Midsummer Festival this year. Whether it was working in the kitchen or the salmon barbecue, manning the Danish Tent or selling raffle tickets you can be proud of the efforts the volunteers from all the houses put into making the festival a big success once again. I am not going to mention names so that I do not accidentally miss someone, but offer a big Thank You to all. Danish House sold all of its allotment of raffle tickets and some Danes were also lucky enough to win a couple of the prizes.

Likewise the Annual Family Barbecue in August was also a very big success, with excellent food, great attendance, and cooperative weather. Steak Master Mik Petersen and his helpers barbecued the steaks and salmon filets to perfection. The gang of helpers and volunteers did a fantastic job and deserve a big hug for a job well done.

So now it is on to the Traditional Fall Dinner and then before we realize it, we will be celebrating the holiday season and the always popular Christmas by the Fireside will be the feature event. In the meantime there will be a couple of more Kro Aftens to enjoy.

See you at the Centre!

FREDERIKSBERG SOGNS PIGEKOR

Please come and enjoy a special concert by the Frederiksberg Sogns Pigeekor on Leif Erickson Day.

It will be at the Scandinavian Community Centre, Saturday, 13 October 2018, 4:00pm.

Admission by donation.

This Danish girls' choir is based in Copenhagen and includes girls 11 to 22 years old. They will visit Vancouver as part of their 2018 tour of Western Canada. The group has travelled the world - Japan, Greenland and the United States, as well as various European countries. The program will be a mix of Scandinavian music and Nordic folk-songs, sung in both English and Danish.

After the choir's performance, plan to stay for more! Music will continue as the Centre's own Nordic Bleu Singers join forces with the Vancouver Spelmanslag in a program of Nordic folk-songs, including some Icelandic favourites. Leif Erickson Day will finish with an Icelandic dinner (\$25) featuring guest speaker Donald Gislason. For dinner tickets contact Maria Lakes by e-mail: marialakes@yahoo.ca or by phone: (604) 569-9370.

The Leif Erickson Day Festival is presented by the Scandinavian Cultural Society in co-operation with The Icelandic Canadian Club of B.C.

OUR 2018 SCHOLARSHIP WINNERS

Ten \$1,200 Scholarships were awarded for 2018 - funded equally by the Danish House Society (DHS) and the Danish-Canadian Community Centre of BC (DCCC). Presentation of the scholarships were made at the September 7th Kro Aften. Each recipient and their guest enjoyed a complimentary selection of open-faced sandwiches, dessert, and coffee or tea. The awards were presented by Scholarship Committee members Margit Hansson and Annette Lauridsen. Two additional \$2,400 Scholarships were awarded by the DHS in appreciation of funds willed to the DHS by the Estate of Ruth and Johannes Pedersen. Twenty applications were received by the deadline of 30th June 2018. Of those, 16 applications qualified for review and consideration and 4 applications were rejected as no connection to DHS or DCCC could be established. The same number of applications were submitted in 2017. The scholarship committee assessed each application, awarding points for academic achievement, application presentation, goals, and references, etc. **Committee members recused themselves from assessing the application of any related person.**

Lia Elrick - West Vancouver

Lia is the granddaughter of DHS members Vera and Niels Andersen. Lia has been accepted to the Faculty of Applied Sciences (Engineering) at UBC this fall. her course load this year has been academically heavy, but she has still maintained a 4.0 GPA. She has also won awards for her artistic creativity in photography. Lia used her photography skills to document high school sports and events for the year book. She also played on the school volleyball team, and it won the banner. Following her grandfather's appreciation of culture, and since she was in French Immersion, Lia helped found the French Council Club. Lia started babysitting when she was eleven, and set aside a portion of her earnings for her university fund. She is Foodsafe certified and has suggested that she could follow her grandfather's footsteps and help behind the grill at the Danish House Family Barbecue in August in the future.

Nicole Fonseca - West Vancouver

Nicole was not able to attend Kro Aften, her brother Ryan accepted her award. Nicole is a triplet and appreciates the financial responsibility her parents and Mormor, Johanne Olsen have, supporting them all, at the same time, with their education. As three is the maximum number of scholarships we can award to the same applicant, this is the third and last DHS/DCCC scholarship for Nicole. Nicole has earned all three due to her outstanding grades and achievements she has shown in her applications. Nicole is continuing her education at Ryerson University in Ontario. Her studies include videography, photography, film and television. Nicole has three goals she wishes to achieve through her studies: Travel videography, storytelling in the film and television industry and entrepreneurship in the new media space. Nicole wants to travel with her skills and hopes to intern with Warner Brothers. Nicole has worked at a restaurant when she has been home during Christmas and summer breaks and has also worked at a restaurant in Toronto.

Ryan Fonseca - West Vancouver

Ryan is the grandson of DHS member, Johanne Olsen. This is the third year that he has won the DHS/DCCC scholarship. Ryan has learned the benefits to be gained from discipline and concentrated daily effort towards improvement at anything you're working on. He has made the Dean's List at Capilano University and plans to take one more year at Cap. U. before transferring to UBC for his final two years of study in the field of accounting and finance. Ryans's baseball career has come to an end, but he has now joined the Capilano University Basketball program as a team manager participating in recreational games. Ryan still works for the Cactus Club Café and has become "shift leader" and bartender there. He loves the hustle and fun the restaurant environment provides. He has worked hard and learned multi-tasking, quick thinking, and social skills in this job. Ryan's Mormor has been an inspiration to Ryan demonstrating what hard work looks like while having fun doing it.

Alex Hackney - Surrey

Alex previously earned a DHS/DCCC scholarship in 2013. His mother is Karen Andersen. Since 2013 Alex attended UBC at the Point Grey Campus and just recently completed year 2 of a 4 year program in Applied Science at UBC Okanagan Campus in Kelowna. He is really interested in infrastructure and hopes one day to use his skills to improve Vancouver's aging bridges and tunnels. His field of study is Civil Engineering. Alex has always been active in team sports. Among them were school volleyball, soccer and competitive baseball. More recently, ultimate Frisbee; he travelled with Team Canada to Italy where his team won the gold medal. He has worked as a baseball umpire. Alex enjoys socializing with his friends playing golf, snowboarding and playing drums.

OUR 2018 SCHOLARSHIP WINNERS - continued

Samantha Magelund - North Vancouver

Samantha is the granddaughter of DHS members Børge and Lena Magelund. She will attend The University of Victoria pursuing a commerce degree and hopes to have the business skills to start her own company in the future. At school, Samantha has been involved in basketball and soccer, helping host Japanese exchange students, and photography. She has a job as cashier at Grouse Mountain. She has coached basketball and soccer. She has done babysitting and worked as a film extra. Samantha believes it is important to keep the Danish heritage and traditions alive. She loves dancing around the Christmas tree and searching for the almond in the rice pudding. Samantha appreciates the opportunity to apply for the DHS/DCCC scholarships.

Ashley Moller-Hansen - Vancouver

Ashley earned a DHS/DCCC Scholarship in 2017. She is the granddaughter of one of our founding members, Paul Moller-Hansen. Ashley is a distance student at Queen's University in Kingston, Ontario, and is in the Bachelor of Health Sciences undergraduate program. Her transfer credits were approved, which means that she is now in the second year of the program and is on track to apply to the UBC School of Medicine by April 2020. Her career goal is to become a pediatric physician. Ashley has found time to do much volunteering including her daughter's preschool, the UBC International Health Mentor's program, the BC Women's Hospital Provincial Medical Genetics Program and more. Ashley is a single mom. Her daughter's dad passed away. She is affected by the cost of childcare expenses. Apart from absolutely loving being a mother, her ideal day is spent with the nose in a medical textbook.

Castor Nielsen - Victoria

Castor is a member of DHS. His Farmor came to Canada in 1957 and brought with her much of her tradition and way of life. In July, Castor attended the International People's College in Helsingør for a month, learning more about Danish language, culture and society. Castor is pursuing a Bachelor of Business Administration with a major in Marketing at Camosun College in Victoria full time this September. He has already completed four marketing and business courses through a dual-credit program with Camosun College in his last year at high school. At school, Castor helped run the Gay-Straight Alliance and has been involved in many school spirit events. One of his letters of recommendations states that Castor is a "young person of notable character who has been a good role model to other high school students". Castor was not able to attend Kro Aften.

Brooklyn Rasmussen - Prince George

Brooklyn was not able to attend the Kro Aften. Beginning in September of this year, Brooklyn will be a student in the Fourth Class Power Engineering Course at the College of New Caledonia. She chose that program due to her love for trades, math and physics and hopes one day to be a leader to other females in trades as it is a male-dominated industry. Brooklyn's Danish heritage comes from her Dad's side of the family, her Farfar Gunner Rasmussen, who accepted her award on her behalf, and his wife Hanne Madsen and her mother Betty Mortensen. Brooklyn loves the outdoors. She currently works for the Provincial parks as a Park Operator. She played hockey for six years. It taught her skills such as teamwork and discipline. She has volunteered at hockey camps and now teaches basic skating skills to kids aged 3 to 12.

Brennan Strandberg-Salmon - Burnaby

Brennan is the son of DHS member Coro Strandberg and grandson of Arne Schou. He will attend SFU in September in Environmental Studies and plans to get a Bachelor of the Environment degree there. He hopes to pursue a career focussed on helping to protect and improve the environment. Brennan is proud of his Danish heritage and has travelled to Denmark. He is impressed with Denmark's commitment to social and environmental sustainability. In high school, Brennan is a member of the Cross-Country team and the Dragon Boat team. He has acted in three Shakespeare plays at the school. He plays the piano and the clarinet. He has volunteered at Stoney Creek Environmental Committee and Force of Nature, counting 400 spawning salmon, painting 40 yellow fish signs near storm drains, and handing out awareness brochures. He is a co-leader of the Moscrop High School Environmental club. Moscrop is the first school in the Lower Mainland to become certified as a "Bee School" by BeeCity Canada as a result of Brennan's efforts. He also organised an Environmental Week at Moscrop high school.

OUR 2018 SCHOLARSHIP WINNERS - continued

Krista Village - Abbotsford

Krista is the granddaughter of Ruth Nielsen and one of our DHS founding members Knud Peter Nielsen and niece of Mike Nielsen. She earned a DHS/DCCC scholarship in 2014. She has completed her Bachelor of Arts degree and this spring was accepted into the Teacher Education Program at the University of the Fraser Valley. It is a very intense program and admission is very competitive. One of Krista's first jobs as a child was refereeing soccer. She has coached and taught rowing and soccer and has worked with athletes with all sorts of special needs. For the last five years she has worked at Bakerview Music Academy which offers free lessons and snacks to children who otherwise could not afford it. A letter of reference from the Academy shows that she began volunteering as an assistant in group piano lessons and that she plans her work months ahead of time. Krista enjoyed the time at Bakerview and has always taken time to chat with the kids. She is sure that the years she spent at Bakerview will make her a better teacher and allow her to teach to a broader range of students.

DHS - Ruth & Johannes Pedersen Scholarships (awarded to top 2 applicants)

Megan Lauridsen - Surrey

Megan is the granddaughter of DHS members, Arne and Annette Lauridsen. Her father, Steen Lauridsen is also a DHS member. Her mother, Jenny Tan is one of 12 children from a Brunei Chinese family. Megan's goal is to become a registered nurse, and will begin studies in the Kwantlen Polytechnic University Health Foundations program in September to pursue a Bachelor of Science in Nursing. Megan loves Danish food and traditions and participated in Lucia for 6 years at the Burnaby Church. In October 2017, Megan wrote an essay about the 500th anniversary of the reformation and was honoured to receive a \$1000 scholarship from the Danish Church in Burnaby. Megan is a distinguished piano player having studied piano for eight years, and was named one of the top 20 piano students in the Fraser Valley and also performed with the Lions Gate Sinfonia. Megan is currently one of the highest ranking members of her Sea Cadet Corp. In high school Megan has maintained a 4.0 GPA. She has volunteered at Fleetwood Villa retirement home for two years and at the Scandinavian Midsummer Festival.

Mireta Strandberg-Salmon - Burnaby

Mireta is the daughter of Danish House Society member Coro Strandberg. Mireta will be attending her second year at Simon Fraser University, working towards a Major in Resource and Environmental Management. She believes that climate change is a huge issue and wants to do everything she can to preserve the earth for future generation and to make a strong contribution to Social and Environmental sustainability. Coincidentally, with the name Mireta Strandberg-Salmon, she has been volunteering to clean and maintain salmon rearing habitat such as Stoney Creek in Burnaby. Mireta has volunteered with Burnaby Parks and Recreation and with the Cowichan Estuary Nature Centre for kids' summer camps. She also volunteered her time to the DHS for the 2017 Midsummer Festival helping out with the balloon tent. Mireta has travelled extensively including to Denmark and is impressed with how family oriented and socially minded her Danish relatives are.

DANISH LANGUAGE CLASSES

Fall session will start again Sept. 20th.

These are multilevel classes with curriculum adjusted to the needs and wishes of the students in attendance on a weekly basis. There is very little homework: typically students will write a sentence or two about their weekend and read it to the class. Corrections will be discussed. This vocabulary will be the basis of the lesson for the evening. Students should expect lots of opportunities to practice speaking Danish during the class. Students may use a notebook and pen or IPAD or laptop for taking notes in class. There are no exams. There should be ample opportunity to make new friends in the ten-week course. Students are encouraged to study Danish daily (10-15 minutes) and to make use of the many free language learning websites available on the internet.

Teens: No classes available.

Advanced/Intermediates: Thursdays, September 20 to November 22.

If necessary, a make-up class will be added on November 29th. This class is at a higher level of Danish, and the content is adjusted to the needs and wishes of the students. Students should have some knowledge of Danish.

Beginners: Thursdays, September 20 to November 22.

If necessary, a make-up class will be added on November 29th.

This class is open to anyone of any level.

The cost is \$100 for ten lessons, payable on the first day of your class. A cheque made out to Danish House Society is preferred.

All classes start at 6:30pm and end at 8:30pm in the Danish room at the Scandinavian Centre.

Please register by e-mail indicating your level to Annette Lauridsen: annette.h.lauridsen@gmail.com

Next "Kroaften" Club Nights - October 5th, & November 2nd, 2018
